

OUTSTANDING ALUMNI

Blessed to Serve

"Numerous individuals in the Fairfield Family, principals, teachers, seniors, batchmates and juniors have shown me consistently with their lives that there is a special joy found in those who give of themselves to serve."

The nurturing environment in Fairfield not only provided me with many unique opportunities to serve the school, but to strengthened my conviction and passion to love my neighbours."

Blessed in Fairfield

"Fairfield defines me because of its culture of community. No matter the circumstances Fairfield grooms you to become a better person, and it makes you part of a bigger family. At Fairfield, the focus is never only on your story, but also on being a part of someone else's story in a meaningful way. That is an essential part of Fairfield's DNA, and is why the Fairfield community can rightly be called Family."

BLESSED TO PAY IT FORWARD

OUTSTANDING YOUTH IN EDUCATION AWARD, 2019

Mr Joel Tan is one of several alumni who chose to come back to teach in Fairfield. Known informally as 'Mr Fairfield' among the students, His love for the school is evident in his intense passion for everything related to Fairfield.

"There's no other place like Fairfield so cherish this environment and this community, because Fairfield is indeed special and precious."

MR JOEL TAN
(SOCIAL STUDIES & GEOGRAPHY TEACHER)

BLESSED TO LEAD

SOPHIA BLACKMORE LEADERSHIP PROGRAMME

'Influence is Leadership' - in Fairfield, everyone is capable of being an influential leader. The Sophia Blackmore Leadership Programme caters to all students' learning needs where opportunities are provided for peer-to-peer influence and for the development of students' leadership potential.

An advanced student leadership training programme is conducted for a selected group of students to serve in different types of leadership positions and roles, such as Student Councillors, Community Student Leaders, Sports Leaders, Peer Support Leaders and Co-Curricular Activity Leaders.

BLESSED TO LEARN

SCIENCE PROGRAMME FOR EDUCATION OF ASPIRING RESEARCHERS

In Fairfield, we inspire our students to pursue their academic interests. Eugene Lek discovered his interest in the Science Programme for Education of Aspiring Researchers (SPEAR). Eugene's submission won the top prize of the Broadcom Masters International Awards at the Junior Scientist Category of the Singapore Science and Engineering Fair in 2017. He also represented Singapore at the International Edition of the competition in Los Angeles. In 2020, Eugene received the Lee Kuan Yew Award for his excellent performance in Mathematics and Science at the 2019 GCE O Level examination.

BLESSING OUR NEIGHBOUR

BLESSING OUR FAIRSIANS

PEER SUPPORT BOARD

"Fairfield is family, and we care for one another. This includes making each Fairfairsian feel welcome. For example, one morning, all the Peer Support Board Leaders lined up to give everyone high fives when they walked into school!"

JEREMY TAN
(HEAD OF PEER SUPPORT BOARD)

AESTHETICS PERFORMING ARTS GROUPS

Fairfield's Performing Arts CCAs put in countless hours of hard work, sweat and tears, all for the love of their craft.

In the process, our Dance, Choir, Guitar Ensemble, Symphonic Band and Drama members learn lifelong values of perseverance, teamwork and diligence.

"My Fairfield teachers have spent much time and effort nurturing me to become an effective and relational leader. I am now more aware of my surroundings and actively look out for my peers and juniors. Through helping people, I am essentially loving God because that is what He has called us to do - to love our neighbours and ourselves."

SHANICE KWOK
(HEAD OF GIRLS' BRIGADE /DEPUTY HEAD OF PEER SUPPORT BOARD)

BLESSING THE COMMUNITY

COMMUNITY STUDENT LEADERS

"Fairfield inspired me to care for others' needs. Thus, I founded the VIA group, Smile for Miles, with some of my friends where we still plan and execute community-related projects."

LEE WEN LONG
(DEPUTY HEAD OF COMMUNITY STUDENT LEADERS)
